PEVAPERM Hautschutz-Lotion

Dermatological test on humans in 2002

**The dermatological-allergological test performed by us
on your product under the control of dermatological specialists**

is passed by this product with the rating „very good“.

This product doesn't led to allergic or toxic-irritative intolerance reactions in epicutaneous testing in accordance with international guidelines. The tolerance of this product must therefore be assessed as very good.

Dr. med. Werner Voß
Investigating specialist
for dermatology, allergology
venerology and environmental medicine
